

# LENTEX HYGIENE TAPE

**Specially developed for Järven's unique surface layer Lentex.**

The Lentex hygiene tape can quickly and easily repair accidental tears and or abrasions to any Lentex hygiene mattress. Using the Lentex hygiene tape to repair, such damage, will prevent the risk of contamination and will also prolong the mattress life expectancy.

Any accidental damage that is **not** repaired immediately with Lentex hygiene tape will result in loss of warranty.

Contaminated mattresses **MUST NOT** be repaired and should be discarded in accordance with local health regulations.
